

Maraetai Beach School

Dear Parents/Guardians

We are fast approaching our production week. Students have been spending time in class learning the skills associated with dance and drama and in the last few weeks have been putting together the most amazing pieces for our show 'The little green book monster'.

The production runs from 5-6th September. It is expected that **all students do all shows** and we look forward to your support in this. Below is the outline of the shows.

Wednesday matinee..1pm start, school finishes as usual

Wednesday evening performance. Students to be dropped off at classrooms (or at the venue stated by classroom teachers) no later than 6pm. Show starts at 6.30. All students are expected to stay to the end of the show. You will need to pick them up from their class teacher in their waiting room once the show has finished.

Thursday evening performance- same as Wednesday night.

Your child's classroom teacher will be in contact if they need anything specific on the night. Any questions please email/ask your classroom teacher or email me on kdeane@maraetaibeach.school.nz.

We look forward to seeing you at the show, don't forget tickets are on sale on Kindo now.

Thanks

MBS teaching staff
