## School Description

***Maraetai Meaning :***

***Meeting place by the Sea. Safe water - Ngai Tai.***

Maraetai Beach School has been educating children in Maraetai since 1879. The school now sits on the headland above Te Pene Point - an area that is significant to Nga Tai ki Tamaki as an ancient Kaianga or village adorned with flourishing gardens, crops and seafood aplenty. From this position our school looks out over the safe waters of Maraetai, to the islands of the Hauraki Gulf.

Maraetai Beach School is a U5, Decile 10, full primary (Years 1 to 8). The roll is maintained between approximately 400 - 430 children. We are a learning community that provides an exciting and challenging curriculum designed to extend all children's horizons in a secure, safe and learner focused environment. We have very strong parent and community involvement and highly value these partnerships. The school district encompasses the zoned area which can be found at the back of this Prospectus.

Our students are a very special group, friendly, confident and strongly motivated to learn.

Classes will often plan for visits away from school. Permission forms will be sent home for each major trip. Costs are covered through the Activity cost paid at the start of the year. All trips are linked to the learning taking place in the classroom. We also have a generic permission form that allows us to take children for walks in the local community to support learning programmes. All children travelling by car must wear a seat belt.

### **LIBRARY / RESOURCE ROOM**

Maraetai Beach School has a very well resourced library. Students are encouraged to borrow books on a regular basis. If books are lost parents will be requested to pay towards the replacement cost of the book.

### **LOST / FOUND PROPERTY**

Lost property is located in the foyer. All named items are returned to the classroom. Please help us to keep lost property to a minimum by naming all your child's items. Any unnamed items not collected will be washed and become part of our second-hand uniform sale.

### **SPORT/PHYSICAL EDUCATION**

All students are expected to participate in physical education lessons, fitness, and organised sport, depending on age and ability.

**Every child in Year 3-8 needs to have a sports uniform at school every day.**

Our children in the senior school are involved in a number of ECCS (Eastern Counties Country Schools) sporting events, competing against other schools from the local area. We are also affiliated with the HPPA (Howick and Pakuranga Principals Association).

### **EOTC (Education Outside the Classroom)**

All students are involved in a variety of EOTC events throughout the year designed to build confidence and outdoor skills. EOTC activities include using the local bush and coast. These programmes are designed to meet the needs of various age groups.

Our Year 4, Senior (Yr 5-6) and Intermediate (Yr 7-8) school students have an annual camp that changes venue from year to year. Year 3 students are involved in 2 EOTC days.

### **FIRE DRILL**

Students are instructed in how to care of themselves in case of Fire, Earthquake and Lockdown. Drills are practiced throughout the year.

## SUN SAFE POLICY

Parents are asked to support the school's sun safe policy by supplying hats for students during hot weather. It is compulsory for all students to wear a uniform sun hat during terms 1 and 4.

## YEAR 7/8 TECHNOLOGY

Our Intermediate students have a specialised Technology rotation once a week. A fee is payable for materials and expenses. This includes robotics, reverse engineering and environmental science classes.

## HOME LEARNING

All students have regular home learning. This can change depending on the age of your child but typically all home learning consists of:

- Reading (signed reading diary in Yr 1-3)
- Spelling
- Basic Facts

Please contact your child's class teacher if you have any questions regarding your child's home learning.

## eLEARNING

### Year 3-8

In Year 3-8 we run a bring your own device programme (BYOD). Students are encouraged to bring either a chrome book or laptop. Devices can be purchased through PB Tech at a discounted rate (link on our school website) or any other outlet. There are chrome books available in class for those students who do not bring their own.

### WHY BYOD?

1. A vehicle for **personalising learning** in ways that ensure each student is fully engaged in learning and is successful in attaining established learning standards.
2. Access to digital content and digital learning environments that provide **multiple pathways to learning**.
3. **Empowering** our students to be life-long learners

Students in year 3-8 use the google apps for education (GAPE) tools and in Year 1 and 2 there are class ipads that teachers use as part of their classroom programme.

## SCHOOL UNIFORM and SPORTS UNIFORM

It is compulsory for all students to wear the School Uniform. The uniform sun hat must be worn in terms 1 and 4 (these can be purchased from the office). The sports uniform is compulsory for Year 3 - 8 students. Uniform prices and information about uniform is available at the school office or on the school's website. Our uniform is supplied by NZ Uniforms and can be purchased in-store or on-line.

## SWIMMING POOL

Teachers take summer swimming lessons and expect students to bring their swimsuits each school day. Families may purchase a key for after school and weekend use. Enquire at the office.

## USE OF SCHOOL GROUNDS AFTER HOURS

The school staff and Board of Trustees endorse the community use of school grounds for sporting activities, and school buildings for meetings. Permission should be initially sought from the Principal.

The school expects out of hours users to:

- Vacate the grounds at sunset.
- No bicycles, skateboards or unauthorised vehicles.
- Take care of all property at all times.

## SCHOOL RULES

We try to keep the number of school rules to a minimum in the belief that our students will take responsibility for their own actions and behave in a manner that reflects our school values and 3Ps. The school has a behaviour continuum and expectations for students both in the classroom and playground. When at school we teach children to resolve any problems by:

- Walking away
- Ignoring
- Telling Someone
- Say –Stop it I don't like it

We call this using our **WITS**

## ASSEMBLIES

Whole school assemblies are held every second Friday afternoon at 2pm and alternate between class and music assemblies. Assemblies are seen as an important time to celebrate students' learning and achievements. If your child is receiving an award you will be notified.

## ROAD SAFETY

Police Education officers assist teachers in developing road safety programmes and instruction to students each year. **We are a Travelwise School.**

Parents delivering or collecting their children in cars at school are asked to observe the following:

- Do not park across the road from the school so that the students need to run across the road
- Park well clear of the pedestrian crossing
- Drive slowly near the school especially at the start and the end of the day
- Do not enter the bus bay area while the cones are out or while road patrol pupils are on duty.

Besides walking, active transport to and from school includes bicycles, scooters, skateboards, and rollerblades. Students must wear suitable footwear, a Standards-approved helmet, and any necessary safety gear.

- Students using scooters, skateboards, or skates must be considerate, give way to other pedestrians and be aware of sneaky driveways.
- Students may not use wheels in the school grounds during school hours, unless it is an organised school event.
- Students must place their cycles in the cycle stands.
- Cyclists are expected to observe the road rules – hand signals, looking behind, mounting/dismounting, keeping well left, etc. Cyclists may not "double" other students to school.
- Each cyclist must wear a Standards-approved cycle safety helmet and have a roadworthy bicycle.

The police recommend that no child under the age of ten should cycle to school unless accompanied by an adult.

## HEALTH

The school has a health room for students who are unwell or injured. Parents will be contacted to collect their child if they are unwell or injured and require medical attention.

**If students need to bring medicine to school please leave it at the office and one of the office staff will administer the medicine as needed only once a medicine authority form has been completed and signed.**

Hearing and sight checks by Health Department Officers are made on a periodic basis. These have been most helpful for parents in pin-pointing potential difficulties for children.

## STUDENT INFORMATION

Please make sure the school office has up to date information about your child. This includes all contact phone numbers and addresses. All information is confidential. If there is a change in family circumstances that may affect your child's life at school, please let the teacher know as soon as possible. This is particularly important as far as phone numbers, changes of address and guardianship are concerned.
