School Description

Maraetai Beach School has been educating children in Maraetai since 1879. The school now sits on the headland above Te Pene Point - an area that is significant to Nga Tai ki Tamaki as an ancient kaianga or village adorned with flourishing gardens, crops and seafood aplenty. From this position our school looks out over the safe waters of Maraetai, to the islands of the Hauraki Gulf.

Maraetai Beach School is a U4, Decile 10, full primary (Years 1 to 8). The roll is maintained between approximately 220-270 children. We are a learning community that provides an exciting and challenging curriculum designed to extend all children's horizons in a secure, safe and learner focused environment. We have very strong parent and community involvement and highly value these partnerships. The school district encompasses all the Maraetai and Omana beach areas towards Whitford and Beachlands.

Our students are a very special group, friendly, confident and strongly motivated to learn.

Police Education officers assist teachers in developing road safety programmes and instruction to students each year. We are a Travelwise School.

Parents delivering or collecting their children in cars at school are asked to observe the following:

- Park well clear of the pedestrian crossing
- Drive slowly near the school especially at the start and the end of the day
- Do not enter the bus bay area while the cones are out or while road patrol pupils are on duty.

HEALTH

The school has a health room for students who are unwell or injured. Parents will be contacted to collect their child if they are unwell or injured and require medical attention.

If students need to bring medicine to school please leave it at the office and one of the office staff will administer the medicine as needed only once a medical form has been filled out and signed.

STUDENT INFORMATION

Please make sure the school office has up to date information about your child. This includes all contact phone numbers and addresses. All information is confidential. This is particularly important as far as phone numbers, changes of address and guardianship are concerned.

Summary Code of Practice for the Pastoral Care of International Students

Introduction

When students from other countries come to study in New Zealand, it is important that those students are well informed, safe, and properly cared for.

New Zealand educational providers have an important responsibility for international students' welfare.

This pamphlet provides an overview of the "Code of Practice for the Pastoral Care of International Students" (the Code), and provides a procedure that students can follow if they have concerns about their treatment by a New Zealand educational provider or agent of a provider.

What is the Code?

The Code is a document which provides a framework for service delivery by educational providers and their agents to international students. The Code sets out the minimum standards of advice and care that are expected of educational providers with respect to international students. The Code applies to pastoral care and provision of information only, and not to academic standards.

When does the Code apply?

The Code commences on the 31st of March 2002. Educational providers then have six months to sign the Code. Between the 31st of March and the 30th of September 2002 you will need to check with the Ministry of Education if your provider is a signatory to the Code.

Who does the Code apply to?

The Code applies to all education providers in New Zealand with students enrolled on international study permits. The Code is mandatory to these providers and must be signed by them.

What is an "international student"?

An "international student" is a foreign student studying in New Zealand.

How can I get a copy of the Code?

You can request a copy of the Code from your New Zealand educational provider. The Code is also available online from <http://www.nzqa.govt.nz/providers-partners/caring-for-international-students/>

How do I know if an educational provider has signed the Code?

The New Zealand Ministry of Education will maintain a register of all signatories to the Code. This list will be available from <http://www.nzqa.govt.nz/providers-partners/caring-for-international-students/>. If the educational provider that you are seeking to enrol with is not a signatory to the Code, you will not be granted a permit from the New Zealand Immigration Service and you will not be able to study at that institution.

What do I do if something goes wrong?

If you have concerns about your treatment by your educational provider or by an agent of the provider, the first thing you must do is contact the principal, the international student director, or another person who has been identified to you as someone that you can approach about complaints at your institution. The Code requires all institutions to have fair and equitable internal grievance procedures for students and you need to go through these internal processes before you can take the complaint any further.

If your concerns are not resolved by the internal grievance procedures, you can contact the International Education Appeal Authority (IEAA).

A summary of the Code of Practice for the Pastoral Care of International Students

The Code sets standards for educational providers to ensure that:

- high professional standards are maintained
- the recruitment of international students is undertaken in an ethical and responsible manner
- information supplied to international students is comprehensive, accurate, and up-to-date
- students are provided with information prior to entering into any commitments
- contractual dealings with international students are conducted in an ethical and responsible manner
- the particular needs of international students are recognised
- international students under the age of 18 are in safe accommodation
- all providers have fair and equitable internal procedures for the resolution of international student grievances

Full details of what is covered can be found in the Code itself.

The Code also establishes the IEAA and the Review Panel to receive and adjudicate on student complaints.

What will the IEAA do?

The purpose of the IEAA is to adjudicate on complaints from international students. The IEAA will investigate complaints and determine if there has been a breach of the Code. The IEAA has the power to impose sanctions on educational providers who have committed a breach of the Code that is not a serious breach. These sanctions include an order for restitution, publication of the breach, and / or requiring that remedial action be undertaken.

The IEAA will refer complaints that are not about pastoral care to another regulatory body if appropriate.

The educational provider will be given a reasonable time to remedy the breach. If the breach is not remedied within that time, the IEAA may refer the complaint to the Review Panel.

The IEAA can determine if it considers that a breach of the Code is a serious breach. If the breach is a serious breach, the IEAA will refer the complaint to the Review Panel.

What can the Review Panel do?

The Review Panel can remove or suspend an educational provider as a signatory to the Code, meaning that the provider would be prevented from taking any more international students. Only the IEAA can refer complaints to the Review Panel.

What is the International Education Appeal Authority (IEAA)?

The IEAA is an independent body established to deal with complaints from international students about pastoral care aspects of advice and services received from their educational provider or the provider's agents. The IEAA enforces the standards in the Code of Practice. '

Grievance Procedures

We want you to be happy at Maraetai Beach School. There are times however, when things do not go as smoothly or as well as we may like. Here are some ideas about what you can do about it.

Problems with a teacher

1. Make a time to talk to your classroom teacher about your concern.

If your concern is the classroom teacher, make a time to talk to the person responsible for International Students who is Mr Keenan, Principal.

- a. After a few days, if you do not think the problem has been solved by your classroom teacher talk to Mr Keenan, Principal.
- b. If, after a few days, after you have spoken to the Principal, the problem is still there, talk to the Principal again and arrange an interview.

Problems with school friends

1. Take the time to talk to your class teacher quietly about your concern

2. You can also talk with our Deputy Principal, Mr Wayne Gillard. You can make an appointment at the Office to arrange an appointment.

Problems with your designated caregiver

1. Make a time to talk to the person responsible for International Students, Mr Keenan. He will discuss the concerns with you and do her best to sort things out.

At all the above meetings, notes will be taken of your concerns and of the solutions put in place.

If, after all the above have been tried, it is felt that your problem has not been resolved, then the student/parent may contact the International Education Appeal Authority, whose address is:

International Education Appeal Authority
C/- Ministry of Education
Private Bag 47 911
Ponsonby
Auckland
New Zealand

Phone: (64 9) 374 5481
Fax: (64 9) 374 5403
Email: info.ieaa@minedu.govt.nz

You must be able to show them that you have tried to get the school to act before you contact them. They will consult the school to see if anything can be done to help you.

If you do have a problem, please ask for help while it is still a little problem. Do not wait for it to become a big problem. If you are not confident that your English is good enough you can always bring a friend to support you.

We hope your stay at Maraetai Beach School is a happy one.
