

INCREASE YOUR BUSINESS PROFILE WITH MARAETAI BEACH SCHOOL

Maraetai Beach School is proud to be an intrinsic part of this beautiful coastline and supportive community. Our small, yet focused and energetic school offers local families opportunities such as eLearning across all levels, a Boys Education program, Learning Support and Gifted & Talented Students programs. Cultural groups such as Kapa Haka, Art and Dance are coupled with an enthusiastic Enviro group whose work extends into the local community. Our students have access to a range of sporting activities. Physical Education and participation are strong aspects of school life. Through our school values - Resilience, Respect, Integrity and Excellence, our students are given the opportunity to reach their full potential academically, culturally and within the sports arena.

To ensure Maraetai Beach School is the absolute choice for local families we are dependent on the support of businesses such as yourselves. We are all aware of the significant population growth in our area and our goal is to be able to provide and maintain a top-class educational facility in our own backyard, here on the Pohutukawa Coast. **We hope that your business feels the same way we do about supporting and growing our wonderful community.**
